

# Example of SLCP Adoption: SLN Tekstil ve Moda

*'Being an SLCP signatory since 2017, SLN Tekstil ve Moda considers it as a commitment to sustainable development. Since the pilot stage in 2018, SLCP assessment and verification processes supported the facilities' management systems to continuously evolve.'*

**Nesrin Başer**  
**Head of Corporate Sustainability**

80%

Able to share their SLCP verified data with customers that make up 80% of their production volume.

30%

30% of core suppliers in the SLN Tekstil ve Moda supply chain have implemented SLCP.

## SLCP Journey and Strategy

2017

Became a signatory. Joined verification committee and participated in Pilots 1 & 2.

2018 & 2019

Joined light operations in 2018 to host verification testing processes. Started self-assessment in 2019.

Since 2020

Both self-assessment and verification are done regularly.
