

SLCP Signatory Charter

Vision

*Converged Assessment.
Collaborative Action.
Improved Working Conditions.*

Mission

To implement common assessment framework that supports stakeholders' efforts to improve working conditions in global supply chains.

Specific Aims 2023

- 25,000 verified assessments
- 130 M USD unlocked for improvement actions
- Industry's #1 verified source S&L data
- Self-sustaining through earned income

Commitment Manufacturers, Brands & Retailers, Agents

As a signatory to this SLCP Charter, we commit to:

- support the mission of the Program and contribute to the delivery of its aims;
- implement the SLCP's Converged Assessment Framework (the assessment tool and verification methodology);
- encourage supply chain partners to become SLCP signatories and contribute to the mission of the Program;
- adopt the Converged Assessment Framework and share verified assessments among business partners;
- develop adoption plans for the Converged Assessment Framework to replace proprietary social audit tools within our organization;
- redirect resources freed by the savings generated by converged assessment into activities which directly benefit workers and their communities;
- embrace the principles of inclusiveness, collaboration on equal terms, and collective ownership of the SLCP mission among signatories to this Charter.

Undertaking

Within 12 months of signing, we will produce an Action Plan to implement SLCP Converged Assessments in our apparel and footwear businesses, setting clear targets and timelines.

Each calendar year, we will report progress against these deliverables to SLCP, including:

- our levels of adoption of the SLCP Converged Assessment Framework, and
- our contributions to the specific aims of the SLCP

We will engage with other signatories to enable collaborative pre-competitive approaches, joint ownership and accountability to address issues revealed by SLCP assessments.
